

NEW

Loud and clear—and customizable!

The VXi BlueParrott® B350-XT has the industry's best noise canceling and sound quality. Plus you can set our new, exclusive Parrott Button™ to your choice of mute, speed dial, and more. B350-XT is packed with great features, and it's sleeker, more rugged, and more compact than our B250 series.

Benefits

- New Parrott Button can be set to your choice of mute, speed dial and more.
- Be heard clearly everywhere with the industry's best noise canceling (96%).
- Wideband HD voice and audio for great sound.
- Stream music or GPS directions to the headset.
- Simple, one-touch pairing to your phone (NFC pairing).
- Use with two cell phones or a phone and PC at the same time.
- Talk for 24 hours, and charge via micro USB.
- Durable, all-day comfort.

Rugged, state-of-the-art,
professional-grade Bluetooth®.

Parrott Button™ can be programmed with your smartphone using the BlueParrott mobile app.

Multifunction button (MFB) controls on/off, call answer/end and pairing.

Micro-USB connection makes charging easy.

Flexible gooseneck mic boom stays where you put it.

Advanced noise-canceling microphone with Xtreme Noise Suppression™.

Includes both DC and AC chargers for use at home and on the road.

New Features

- Parrott Button can be set to your choice from a range of functions using the BlueParrott® App for Android. (iOS version coming soon.) Visit vxicorp.com/parrott for complete details.
- Near-field Communication (NFC) streamlines pairing.
- Headset Battery Reporting on your iOS devices.

Product Highlights

- A2DP support for use with music players, GPS and other Bluetooth devices.
- Multipoint pairing for use with two cell phones or a cell phone and PC at the same time.
- Xtreme Noise Suppression™ improves communication by cutting 96% of background noise.
- Wideband audio for clearer conversations, more productivity and increased safety.
- 128-bit data encryption keeps your cell phone conversations private.
- Flexible microphone boom stays where you put it for optimal sound quality.
- Lightweight comfort and roadworthy durability.
- Adjustable headband clicks in place for a custom, stable fit.
- A wide range of volume adjustments.
- One button controls on/off, call answer/end and pairing.
- One-year warranty.
