Amplify Glare Guard for Apple iPhone 11 Pro Max

Premium Anti-Glare Screen Protector /

Customers expect quality products and are willing to invest in proven brands. Give them the premium screen protector brought to the marketplace by two well-known, highly trusted companies. We're taking our 20+ years of experience protecting phones and partnering with Corning's 167 years of glass innovation to create the top-shelf screen protector for your customers. Amplify Glare Guard protects screens against drops, scratches and scrapes, and preserves screen clarity in bright light.

This powerful OtterBox partnership has created an ultimate screen protector that has the strongest scratch resistance of our Amplify portfolio. Users experience superior display clarity in all lighting conditions, especially bright light. And phone batteries get a break as Amplify Glare Guard enables desired visual clarity at a low brightness setting. Amplify Glare Guard helps protect screens with long-lasting scratch performance and enhanced screen viewing.

Features /

- Premium glass screen protector with superior display clarity in all lighting
- Long-lasting, high-strength glass provides up to 5x greater scratch resistance than the leading glass alternative*
- Incredibly quick, hassle-free installation
- Engineered by Corning, maker of innovative glass products for over 167 years
- Pair with an OtterBox case for total phone protection
  Extended battery life**

* Versus soda lime glass. Based on Corning tests. Actual results may vary.
** Can maintain same image quality at lowerbrightness setting.
